Braith! The fastest 10 year old in the country!
After working his way through Zone and Region, Braith went on to win the NSW under 10's Boys 100 Metre Championship.

Braith recently travelled to Melbourne to compete in the School Sport Australia 10 - 12 Years Track & Field Championships. After performing well in the Preliminaries, Braith made it through to the Final.

He then ran a personal best time of 13.27 seconds, to win the final and the National Championship.

Braith also lined up for NSW in the 4x100 Metre Relay. NSW beat Victoria, with Queensland in third. The win gave Braith his second National Championship in the one day!

Congratulations Braith!

K-2 Classroom

We have been focusing on using the writing process this year to plan, compose, edit and publish quality pieces of work. Our Year 1 & 2 students have adapted to this process well and I have been so proud of some of the results. Writing always needs a purpose, and in the last fortnight the purpose for our K-2 students was to write a speech persuading the school why they would make a good School Captain. We wrote our speeches and then revised them to make them better. We then presented our individual speeches to the 3-6 students who voted for a student to be an honorary school captain for the week. Although every student did an amazing job, bravely speaking in front of the entire school and stating their argument, there could only be one winner. After careful deliberation from the senior students, Chase was selected for the position! As our School Captain for the week his responsibilities included ring-ing the bell, being the leader of all lines, sitting at the front of the assembly and having a business lunch meeting with Mr Frith in his office to discuss current affairs. Chase was also given the task of teaching a lesson of his choice to the K-2 class. He chose to lead us in an extremely fun sports lesson involving an obstacle course. Chase did a wonderful job being our honorary School Captain for the week, we look for-ward to the day when he is the real thing!

Dear Parent and Carers

I am writing to advise you that we suspect that nits/head lice are present in the hair of some students within the school.

Please check your child's hair for nits/lice tonight using the methods recommended in information from NSW Health

(<http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx>).

If you find any eggs or lice please commence treatment as recommended.

Further information on head lice is available on the NSW Health website (details above) or through the Department's website at

<http://www.schools.nsw.edu.au/studentsupport/studenthealth/conditions/headlice/index.php>.

I appreciate your assistance in this regard.

Yours sincerely,

Michael Frith
Relieving Principal

Jerry's Plains Public School P&C Christmas Raffle

The P&C will be holding a raffle to be drawn on presentation night (17th December). We are asking if any families would be willing to donate a few pantry items towards a food hamper (eg; fruitcakes, canned items, confectionery, etc). If all donations could be dropped off to the school office before

15th December.

We appreciate your
